#### **Policy Document**

The College always strives to improve and amplify the learning capacity of students by motivating the faculty to adopt innovative teaching-learning pedagogy essentially focusing on a combination of traditional and modern teaching approaches such as use of audio-visual aid like power point presentations, and other such mind mapping tools that not only help for maintaining the attention extent of students but also help in grasping the concept in an enhanced way. Further, classroom teaching is enriched by using flipped classroom strategy for active engagement and participation of pupil as well as enabling the instructor to deal with mixed levels and student difficulties in a better way, introducing real world experiences through field studies, interaction with experts and scholars etc. that facilitates students to under the concept in improved to the topic/course.

In addition to making use of latest innovative teaching-learning tools and techniques, BLDEA's S.B.Arts & K.C.P. Science College recognizes that the learning interest and pace of every student is different: some learners are not-so-gifted (Slow learners) and whereas some are gifted learners (advanced learners) and hence special plans/strategies are adopted to deliver learner centric teaching-learning.

#### **Advanced Learners:-**

**Advanced learners** are the students who understand a taught topic relatively faster than the other students in the class and attain high scores. They have more potential and talent than the others in the class.

## **Preamble**

The primary goal of creation of this policy is to assess the learning capacity of the students and provide them guidance accordingly. Specific objectives are enlisted as under:

- Identification of the advanced learners in the class
- To develop significant strategies and scientific implementations to benefit the advanced learners.
- To encourage the advanced learners to be excellent achievers
- To bridge the gap between slow and advanced learners

In the ensuing section, detailed description of the strategies adopted for the advanced learners' identification process and appropriate guidance measures are highlighted.

## **Policy for identification of advanced learners**

At the entry level, the students are assessed on the basis of their performance in Learner's understanding capacity, active involvement in class-room, participation in co-curricular activities & learning pace of students & score of odd semester.

Along with the above mentioned involvement of the students & based on the score of odd semester, students are **Identified as Advanced Learners'**.

## **Distinct features recognized in Advanced Learners:**

1. Class Test Scores: Higher than 70 %
2. High Grasping Capacity
3. Quick Response
4. Self-motivated
5. High potential to deal with higher order problems
6. High capacity to comprehend core concepts and apply them in real world situations

## **2. Activities for Advanced Learners'**

The following are the strategies undertaken for tackling Slow and Advanced Learners:

## **Advanced Learners:**

- i. Advanced Seminars or tasks are assigned to advanced learners.
- ii. Guidance to crack competitive examinations and orient them for better career planning and growth.
- iii. Stimulating the research aptitude by giving them an opportunity to pursue Research knowledge on projects within & beyond the curriculum.

- iv. Students are motivated to participate in group discussions, debates, elocution, Essay & Quiz to develop analytical and problem solving abilities.
- v. Organize activities to polish their critical thinking abilities.

**Improvement Assessment:** Each faculty would require to prepare a report after university result declaration of current semester which shows the improvement in performance of Advanced learners. Following documents are essential & are maintained:

- University Result Analysis
- List of Advanced Learners
- List / Record of tasks given to advanced learners

### 3. List of Students

The following are the students of Advanced Learners' based on the University Result of odd semester ie; I & III.

- Respective Activities are conducted in Even Semester for first & Second Year students.
