Policy Documentation for Slow learners

❖ **Introduction**

❖ **Slow learner**

❖ **Identification for Slow learners.**

❖ **Activities for Slow learners.**

❖ **Method of Assessment**

Slow learners are students with poor academic and cognitive abilities. They are less interested in learning and have difficulty in understanding the concepts taught in the classroom.

Slow learners are often seen to join regular teaching programs and are not able to keep up with the rest of the class.

Special attention by the teacher in the following activities will help in improving the slow learners:

- 1. Assessing and evaluating by the slow learners their own progress and results.
- 2. Providing them with extra material for the lessons.
- 3. The slow learners are supported by the advanced learners in the class, so that they can help in teaching them individual learning.

Factors of slow learners:
Slow learners are students who are less interested in learning and have difficulty in understanding the concepts taught in the classroom and with scores less than 100 marks are identified as slow learners.

Diagnosis of slow learners:
Slow learners have a set of such characteristics:

- 1. All slow learners and sub slow learners.
- 2. All types of impairments in their learning.
- 3. All types of difficulties in their learning.
- 4. All types of difficulties in their learning.
- 5. All types of difficulties in their learning.

Introduction:

The College is offering UG, PG and Research Programme to the students from the rural as well as urban backgrounds in Vijayapur district majority of the students are from rural background and also represents the middle or lower class Social environment and most of them are first generation.

The aim of the programs in the college is to make all students admitted in the college equipped and competent to face challenges of the life and contribute to the Social development through the critical reflection and academic achievements this is possible through the process of making the academic more competent for the advance learner and also by supporting the slow learner to achieve more their academics and personal life.

In every academic program there will be some students who can do really well and learner more with the comprehension capacity there are also students who are slow in understanding concepts, memory and retention such students need extra attentions from the faculty to upgrade themselves at the same time, we also have to take into consideration those students who are at average level in academics.

Slow learners:

Slow learners are the students with poor grades they find it difficult to understand the concept retain and integrate to adjust to teaching learning process and may fail or even dropout. The poor performance can be improved through adequate motivation and support by the faculty.

Activities for Slow learners:

- ✓ Slow learners are motivated to join remedial coaching, conducting of extra classes to help them bridge the gap of learning.
- ✓ Special attention by the mentors to the students identified as slow learners.
- ✓ Academic and personal counseling by the slow learners by the mentors and counseling cell.
- ✓ Providing of simple course material for the exams.
- ✓ The slow learners are supported by the advance learners in the learning process their by making them participation learning.

Method of Assessment:

The students are evaluated after the I-IA test about their learning levels, students who score less than 50% are identified slow learners and who score more than 70% they are identified as advanced learners.

Document Required

1. Result of I-IA Test of each Semester.
2. List of slow learners and advance learners.
- 3. Report of improvements for slow learners.
4. Record of task/activities given to advance learner.
5. Attendance of activities for slow and advance learner.

Policy Documentation for Slow learners

❖ Introduction

❖ Slow learner

❖ Identification for Slow learners.

❖ Activities for Slow learners.

❖ Method of Assessment

Slow learners are students with learning difficulties that are persistent and make slow progress in learning. They are often below average in performance and may need extra help to keep up with their peers. Activities for slow learners:

- Slow learners are encouraged to join school clubs and activities to bridge the gap of learning.
- Special attention is given to the learning difficulties of slow learners.
- Academic and personal counseling by the slow learners by the teacher.
- Providing of simple class material for the exams.

The slow learners are supported by the advance teacher to help them in meeting their learning needs.

Method of Assessment:
The students are evaluated after the LTA test (Individual Learning Test). The students who score less than 50% in all subjects are identified slow learners and who score more than 50% in all subjects are identified as fast learners.

Materials Required:
1. Report of LTA Test of each student.

2. List of slow learners and advance learners.

3. Report of progress card for slow learners.

4. Record of infractions given to advance learners.

5. Record of infractions given to slow and advance learners.
