4. REPORT

Guidelines for identifying slow Learners (weak Students):

Slow Learners are identified based on the first internal examinations those who secured less than 40%.

Measures taken to improve academic performances of slow learners:

- Remedial /Extra classes are conducted with appropriate focus on the subject classes in which the students are found to be slow learners.
- Individual academic counseling is done by concerned subject teacher.
- Student helpdesk.
- Student study groups are formed for peer to peer learning.
- Personal counseling is done through mentoring(Teacher guardian) scheme which takes care of the student mentors maintain the entire academic record of the student which is also conveyed to the parents time to time by teacher guardian. Slow learners are counseled and motivated by the mentors.

Guidelines for identifying slow Learners (weak Students):

Slow Learners are identified based on the first internal examinations those who secured less than 40%.

Measures taken to improve academic performances of slow learners:

- Remedial /Extra classes are conducted with appropriate focus on the subject classes in which the students are found to be slow learners.
- Individual academic counseling is done by concerned subject teacher.
- Student helpdesk.
- Student study groups are formed for peer to peer learning.
- Personal counseling is done through mentoring(Teacher guardian) scheme which takes care of the student mentors maintain the entire academic record of the student which is also conveyed to the parents time to time by teacher guardian. Slow learners are counseled and motivated by the mentors.
