Introduction

Slow learners

Slow learners are those students with poor grades. They find it difficult to understand the concept, retain and integrate it. They find it difficult to adjust to teaching-learning process and may fail or even dropout. The poor performance can be improved through adequate motivation and support by the faculty.

Guidelines for identifying Slow learners:

Slow learners are identified based on the first internal examinations those who Score less than 50%.

Following Special activities are conducted for Slow Learners:

1. Slow learners are motivated to join remedial classes, conducting of extra classes to help them bridge the gap of learning
2. Special attention by the mentors to the students identified as slow learners

Department of Physics

Notice

Remedial Classes for 2023-2024

It is here by informed to B. Sc. I, III & V Semester students that the Department of Physics is conducting Remedial classes for the slow learners, hence the students are informed to attend the classes regularly which is starts from 11/01/2024 to 20/01/2024.

Remedial Classes Report for 2023-2024

Department of Physics has conducted remedial classes for the slow learner's students of B. Sc. I, III, and V semester physics students as per the time table. The faculties explained the important topics in their syllabus, difficult derivations and old question papers were solved for the students.

The objective of conducting the remedial classes was to help the students to score better in II IA and term end examination to be conducted by the university.

Introduction

Slow learners

Slow learners are those students with poor grades. They find it difficult to understand the concept, retain and integrate it. They find it difficult to adjust to teaching-learning process and may fail or even dropout. The poor performance can be improved through adequate motivation and support by the faculty.

Guidelines for identifying Slow learners:

Slow learners are identified based on the first internal examinations those who Score less than 50%.

Following Special activities are conducted for Slow Learners:

1. Slow learners are motivated to join remedial classes, conducting of extra classes to help them bridge the gap of learning
2. Special attention by the mentors to the students identified as slow learners

Remedial Classes Report for 2023-2024

Department of Physics has conducted remedial classes for the slow learner's students of B. Sc. II, IV and VI semester physics students as per the time table. The faculties explained the important topics in their syllabus, difficult derivations and old question papers were solved for the students.

The objective of conducting the remedial classes was to help the students to score better in II IA and term end examination to be conducted by the university.
