DEPARTMENT OF BOTANY

REPORT ON WORLD ENVIRONMENT DAY - 2024

IQAC initiative, Institution's Innovation Council in association with **Eco-Club of Department of Botany** and **NCC Unit** organised '**World Environment Day Celebration**' on 5th June, 2024. On this occasion special activities like plantation and plant donation and adaption programmes were conducted. The programme was started by planting *Palm* plants in the college campus.

Dr. R.M. Mirdhe Principal presided over the function and highlighted on World Environment Day awareness programs, campaigns, events, and initiatives taken by the government. She also emphasized on role of students and citizens in creating healthy environment for better future.

B.Sc 2nd sem botany students have donated the plants, which were planted in pots. Plants planted in the pots were adopted by the students and they will be taken care and nurtured by them. The pots are been numbered and progress of plant adoption will be monitored by staff of Department of Botany. On this auspicious occasion new labs of Department of Botany was inaugurated by the principal.

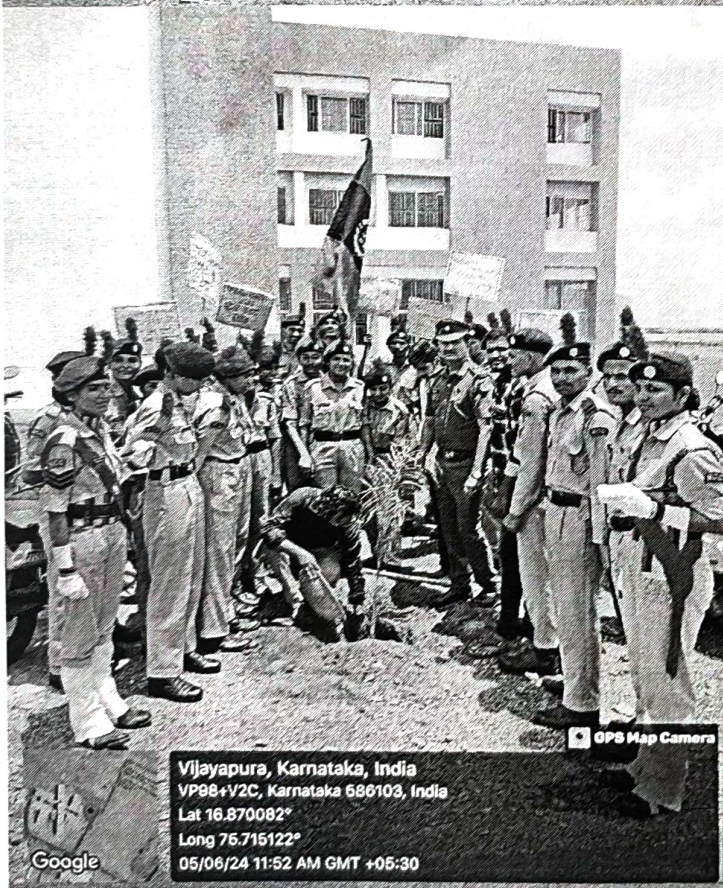

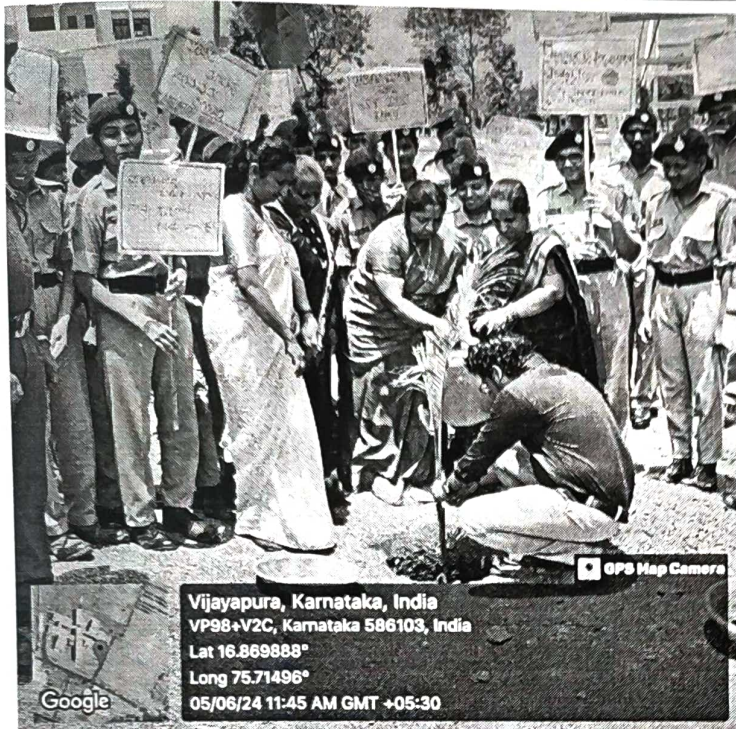

Principal Dr. R.M Mirdhe, IQAC Co-ordinator Dr.P.S.Patil, HOD of Botany and Lieutenant Dr. Ramachandra Naik. M, ANO, 36 KAR BN NCC, Chairman of Eco-Club Prof. Krishna Mandla, other teaching faculty of various departments, 120 students and non teaching staff were present.
