

BLDEA's
SB ARTS AND KCP SCIENCE COLLEGE , VIJAYAPUR
BCA PROGRAMME
STUDENTS INTERNSHIP REPORT 2023-24

Internship Report

Submitted by Prof. S.G.Bhairodagi , Project Coordinator , BCA Department

Date: 11/07/2023

Internships are crucial in bridging the gap between theoretical knowledge gained in the classroom and real-world application in professional settings. They serve as platforms for students to apply their skills, gain hands-on experience, and develop crucial competencies essential for their future careers.

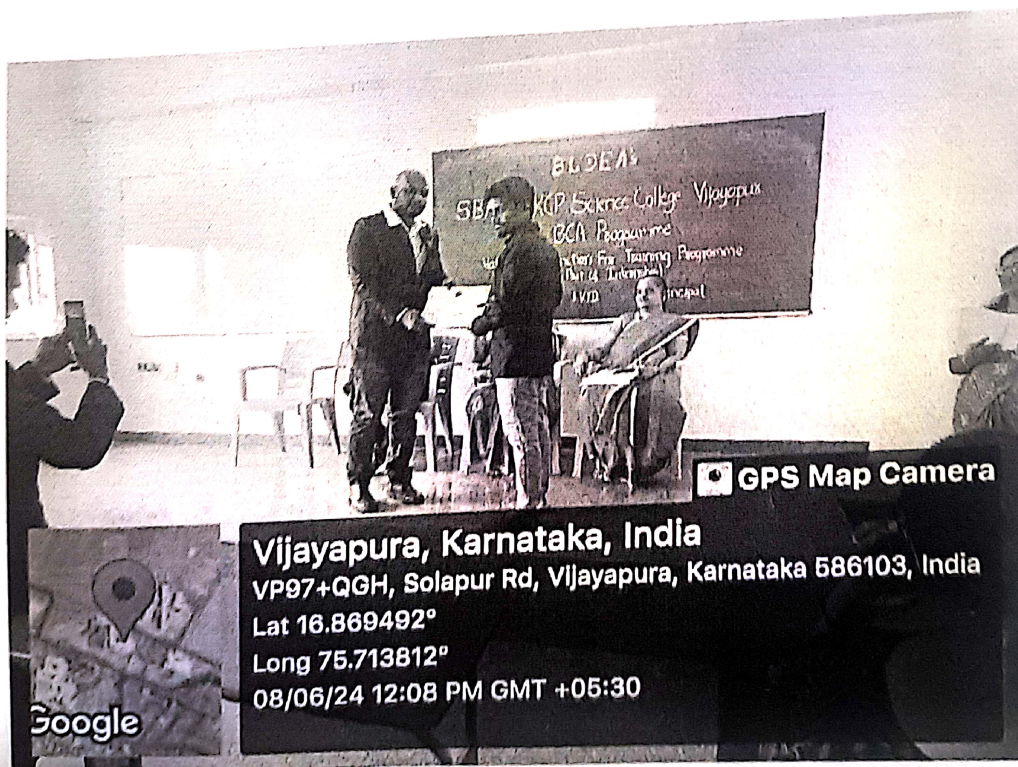

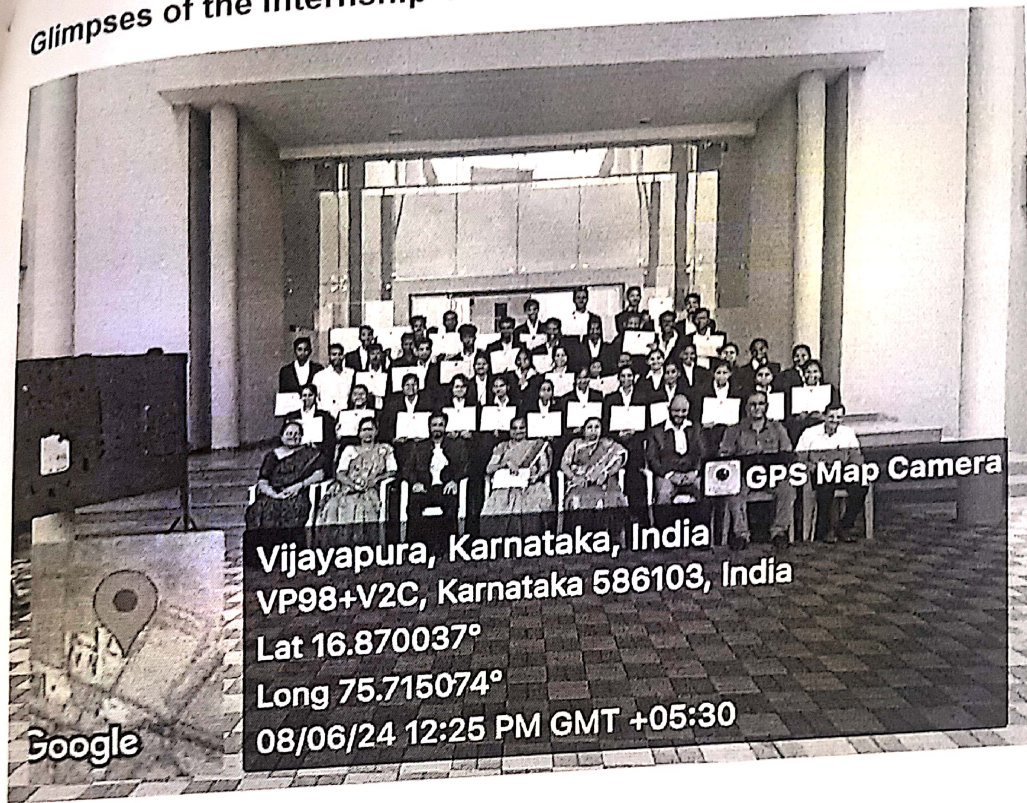

BLDEA's SB Arts and KCP Science College in Collaboration with Innoovatum Engineering and Technology LLP, Incubation Center, BLDEA's V P Dr PG Halakatti College of Engineering and Technology Vijayapur organizes one month internship spanning from 2/5/2023 to 31/5/2023, aimed to provide students with practical exposure to complement their academic learning in computer applications.

The internship provided students with valuable skills and knowledge, including:

- Hands-on experience with programming languages such as Java and Python
- Proficiency in using database management systems like MySQL
- Problem-solving, critical and logical thinking skills
- Effective communication and teamwork abilities

The internship program has been instrumental in bridging the gap between theoretical knowledge and practical application for BCA students. It has provided them with valuable industry exposure and enhanced their employability skills.

Internship/College Coordinators

Subject: Proposal for Intensive Practical Internship Program at your reputed institution.

Respected sir,

I am reaching out on behalf of Innoovatum, a leading software & technology company dedicated to driving innovation in software development. We are passionate about bridging the gap between academia and industry, and we are thrilled to invite your reputed institution to participate in a collaborative internship program.

Our internship program is designed to provide final-year students with invaluable real-world experience, complementing their academic learning with practical skills and industry insights. We believe in equipping the next generation of tech talent with the tools they need for success in today's competitive IT job market.

Our internship program offers:

- **Real-time Industry Training:** Students engage in hands-on software development projects, guided by industry experts. They learn about best practices, project management, and emerging technologies.
- **Professional Personality Development:** In addition to technical skills, we focus on soft skills like communication, problem-solving, and teamwork to enhance students' employability.
- **Python-Django Full Stack Development:** Students gain expertise in full-stack development, a sought-after skill in today's digital landscape, through our specialized training module within the internship duration (45 days weekly 5 days).

- **Industry Professional Panels:** We facilitate sessions where students engage directly with industry professionals (3-5 years experience), gaining valuable insights into the latest trends and challenges, thereby enhancing their learning journey.
- **Placement Assessment Report:** Each student will undergo comprehensive mock interviews, covering introductory, technical, and HR rounds. Following this, we will furnish both the college and students with detailed assessment reports.

Participating students not only boost their academic credentials but also increase their chances of securing employment. Our proven track record of successful placements underscores the effectiveness of our training approach.

We are also expertise in providing internship programs on:

1. Javascript frameworks: AngularJS, ReactJs, NodeJS.
2. Programming Languages: PHP, Python.
3. Cloud computing: AWS, Azure & Digital Ocean.
4. Artificial Intelligence & Machine Learning (Deep Learning)

We look forward to the opportunity to discuss this collaboration further and explore how we can tailor the internship program to meet the specific needs of your institution.

Thank you,

Sincerely,

Shaukat Kotwal
