Report of Quiz Competition

Our college celebrates the National Science Day every year to commemorate the achievement of Noble laureate Sir C. V. Raman, so as to bring the awareness among the students about his contribution and importance of Science and technology.

On the eve of **National Science Day 2024** the Bhasha Vignana Vedike, Institution's Innovation Council, Equal Opportunity Cell and all Post Graduate Departments of our college conducted **Quiz Competition** on **28th of February 2024**. The topics of Language, Arts, Humanities, Science and Technology were covered for this Quiz.

The students participated in a team of 02 members and 17 such teams attended the competition. There were six rounds in this competition. The first round was a selection round where only six teams with top score (MCQ type test) were selected for the Competition. Further each team with low score were eliminated from each round and thus the top three winning teams were selected and prizes were distributed on 29th of February 2024.
