Report On "Talent Hunt"

Everyone has talent. What is rare is the courage to showcase it.

A talent show provides students an opportunity to show case their talent in any field. It not only helps the participants to show their abilities but also motivates other students, to come up front and show their secret potential. Young Students have an ocean of hidden talent amongst them and we at The BLDEA'S SB Arts and KCP Science College, Vijayapur believe it letting our budding enthusiasts come forward and shine. It was on the bright lovely morning of 16th December 2023, when the grand event was conducted. We had a tidal wave of participants who put their heart and soul in preparing themselves for this event.

The talent show had a massive array of events like Dance performance, a Singing performance and Debate too. Now that's a lot of talent under 1 roof! We as teachers are immensely proud of all the participants The talent show indeed proved to be a wonderful platform for the students to discover their hidden talents. The students enthusiastically participated in the talent show and exhibited superb flair and abilities to excel in whatever they did. Various students of I semester have been participated in all the events, the judges have observed the performance of all the students with respect to activities and given the valuable suggestions to improve further.

This show would not have been possible without the support of our dear Principal Dr.(Smt) R.M. Mirdhe, Cultural chairmen Prof. Srinivas Doddamani and the members Prof.(Smt.) Shridevi Bhairodagi and Prof. Shridhar Joshi.
