A Report on Ambedkar Jayanti

“Knowledge is the foundation of a man’s life” – B.R. Ambedkar

Dr. Ambedkar was a man of many virtues. He was a jurist, economist, politician, and a social reformist. Popularly known as Babasaheb, he was a man of social substance who became India’s first ever Independent Law Minister and principal architect of the Indian Constitution. He was the one who sparked The Dalit Buddhist movement in 1956. Dr. Ambedkar was against social discrimination, for which he even supported Dalits while supporting equality for women and laborers.

To pay tribute to his contributions made for our country, Our College celebrated 133rd Birth Anniversary of Dr Ambedkar on 14th April, 2024 in the Seminar Hall. The celebration has started with Ambedkar’s photo pooja by our beloved Principal and our college staff.

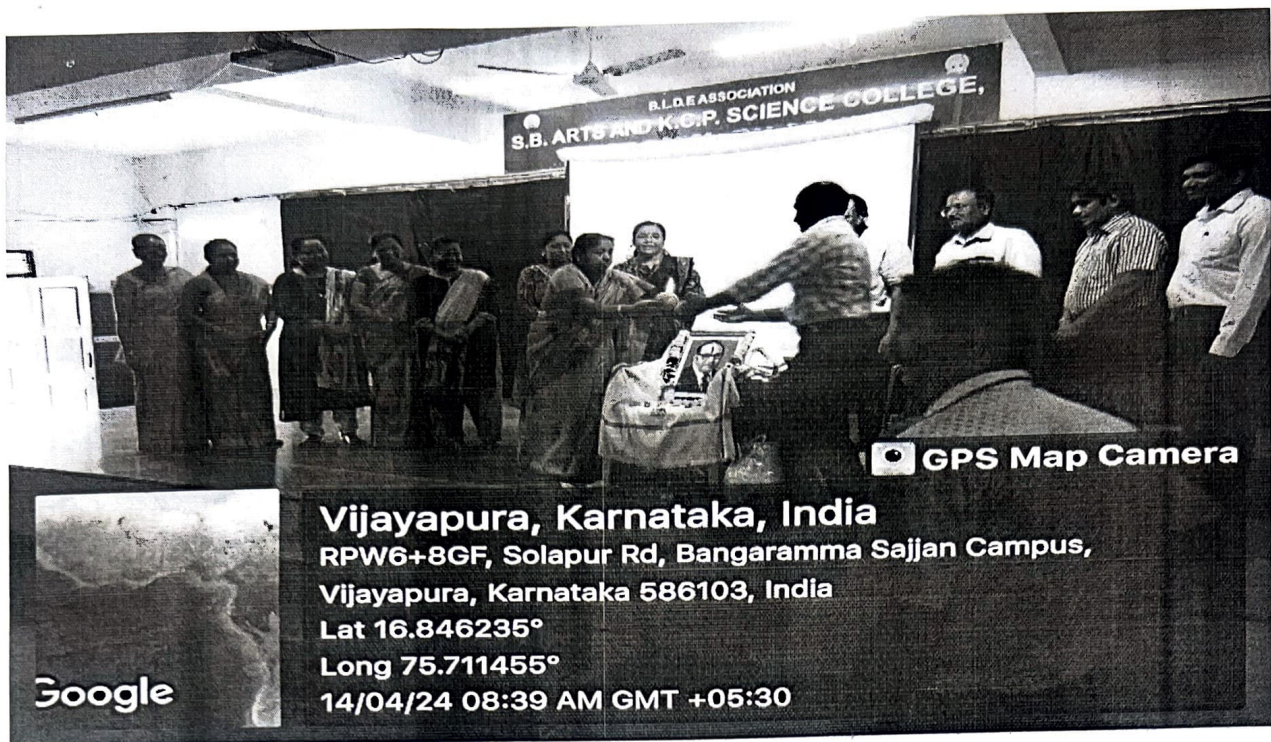

Dr. Ushadevi Hiremath Professor of Kannada department spoke on the occasion and said that Dr.B.R Ambedkar has set an example for us through his sincerity, dedication and hardwork. Dr Ambedkar became a role model for the downtrodden and he has made them to dream big and achieve the impossible. His thoughts and values have become part of our Democracy. We should be indebted to him for all his reforms and his contributions towards the nation building.

Principal Dr.R.M.in her address stated that Dr. Ambedkar’s contribution is immense and even today the Indian Constitution is guiding us to find solutions to our diverse society. We need to motivate our students to inculcate his values and aim high in life.
